WHAT OUR FANS HAVE TO SAY

"GIS did an exceptional job of creating the perfect trip for our girls youth soccer team! They took care of every detail & we always felt safe, on schedule, & like we were getting the most value out of our trip. GIS did an exceptional job of creating the perfect trip for our girls youth soccer team! I have been on a few other similar trips in the past & GIS did the best job of maximizing our group's experience."
- Roswell Santos SC Club Tour Attendee

"The elite trip(s) in London were well organized & led by chaperones well suited to handling the needs of a group of athletes who were high energy at times & exhausted from training at others. I attended both trips in London, & I would not hesitate to let my son go without me (which for me is the strongest endorsement I can give)! Jacqui & Rae (the chaperones) were Mother Hens warmly tending to the boys needs & keeping them on track."
-Mother of a West Ham United Tour Attendee

"Everyone went out of their way to make everything run smoothly for us & I couldn't think of one thing I would change. I would absolutely recommend this to any team that wants to grow the chemistry & camaraderie of their team, but also have an amazing cultural experience. Having GIS know the landscape & able to set everything up has been brilliant!"
-Mike Getman, UAB Mens Soccer Head Coach

"I have taken 4 international tours with different teams in the last 5-6 years & this tour with GIS ranks as the best one."

- Todd Bramble, Former University of Alabama Woman's Soccer Head Coach
